

# **RIDE for RWANDA**

## **Aid Stations and Cut-off Plan 2017**

**All riders and volunteers must finish by 2:00pm.**

For rider safety, and to ensure both riders and volunteers make it back to the finish on time, rider cutoff times will be strictly enforced. Expected checkpoint times assume a reasonable pace (approx. 8 miles per hour). Riders choosing to continue past the cutoff times will have their number plates marked and acknowledge that the balance of their ride will be unsupported.
